Design:

All words lettered will be in the style shown in samples. All letterforms will be in lowercase style. One draft will be presented to the client for approval and up to one revision may be allowed before final files are delivered.

Payment:

An initial payment of 50% of the fee is required before work begins. If the total price is \$50 USD or less, full payment is required before work begins. Receipt of initial payment acknowledges terms outlined here. The balance of the fee is due before final files are delivered to the client.

Timeline:

Work will begin only after payment is received. The first draft will be delivered within 7 days of payment receipt, the second draft (if necessary) will be delivered 7 days after receipt of feedback from the client, and the final files will be delivered 7 days after receipt of final approval from the client.

Files delivered:

Only digital files will be delivered. No physical products will be sent. The designer will deliver high resolution PNG files of lettering piece with transparent background so that the lettering may be layered over other graphics. PNG files will be delivered in black. The client may NOT resell or redistribute the original PNG files.
